You will appreciate the positive results, raised with the rancher in mind.

The bulls are lot tagged in sire groups with a reference on the inside back cover for your convenience.. Videos and bidding will be available at DV Auction. Videos will be available to view approximately 2 weeks prior to the sale and login information is in the back of the catalog.

Thank you again for your dedication to the cattle industry and your interest in our program. We welcome you to visit the ranch or give us a call anytime. The bulls and heifers can be viewed at our Open House on January 21st (11am to 3pm) or any day prior to sale day at the ranch.

Dry Valley is sired by the popular No Doubt bull. He adds incredible muscle expression with loads of growth. We have visually appraised this bull on three different occasions and he impressed us every time. Dry Valley calves stand out early.
